SOFTBALL

LET THERE BE LIGHT!

Happy New Year!

Exciting news, after many years of trying, FEC has obtained the financing and is in the process of replacing the lights on ballfields #1 & 2 and well as the tennis courts at Howe Park. They should be installed by the end of January if the turf dries out enough for the boom trucks.

New Wednesday night division:

The district is offering a new 3 — pitch division to teams. There are no gender requirements meaning you can have unequal men & women on the field. (45 minute games)

The spring season is scheduled to begin the first week of April and we are looking forward to servicing your softball needs in 2020.

As always, please don't hesitate to contact either Steve or me in advance if you have questions or suggested rule changes.

Thanks as always for your support of FEC softball and we will see you all soon!

Sincerely yours in Recreation,

Becky L. McDaniel
Superintendent of Recreation
