Park Watch Program

If you have signed up to be a member of a Park Advisory Committee you are automatically included in our Park Watch Program. We will occasionally send out information via email pertaining to park security and other park related news that we feel would be of interest to our residents.

We are encouraging all Park Watch participants to keep us informed of problems in our parks, including but not limited to unlawful and nuisance activities, unsafe maintenance conditions, and general comments or suggestions.

Important Contact Phone Numbers & E-mail Addresses

The Fulton-El Camino Recreation and Park District Park Police are dispatched through the Sacramento County Sheriff's dispatcher. The Park Police are not on duty 24 hours a day so it is important to call the Sheriff's Dispatch phone number to secure a response to problems in the parks. If the Park Police are on duty they will take the dispatch call, if not, the County Sheriff will respond to the call in the order of importance in comparison with other calls they have. Depending on call volume and the nature of the other calls it may take them a while to respond.
