Dear Neighbors,

On behalf of the Board of Directors and District staff, I want to wish you and your loved ones a truly joyful holiday season. As the year comes to a close, we hope your days are filled with warmth, peace, and happiness, and that you have the chance to celebrate with friends and family.

With our newsletter, stay up to date with everything happening in our parks from new programs and upcoming events to the latest updates.

Measure Q: We invite you to stay informed about all current and completed Measure Q projects by checking our website at [fecrpd.com](http://fecrpd.com). We look forward to keeping you informed, and we will share progress reports as soon as they become available.

Park Improvements: Alongside our Measure Q projects, FEC has been hard at work clearing out old and dying trees in our parks. It's never easy to lose these familiar old trees but taking them down helps keep our parks safe for you and all our furry friends that live in the parks.

If you notice any areas that could benefit from improvement, whether it's maintenance or just some extra attention, please let us know. You can submit your suggestions online at [www.fecrpd.com](http://www.fecrpd.com).

Programs: Sign-ups for the 2026 FEC Little League season are officially open! Whether your child is a seasoned player or trying baseball for the first time, everyone is welcome. Join us and experience what it means to be part of a team. For more information or to register your child, please [visit our website](#) or contact Robin at [rromines@fecrpd.com](mailto:rromines@fecrpd.com).

Community Event Recap: What a night! We were thrilled to welcome so many families to the Annual Tree Lighting with the Fulton Avenue Association. And a heartfelt shoutout to the Sacramento Suburban Kiwanis Club and El Camino High School's Key Club for making it all possible with their support. Thanks for helping us kick off the season in style!

Please connect with us on [Facebook](#), [Instagram](#), and website to stay up-to-date in between our newsletters. And help us get the word out by sharing with your friends and neighbors!

Warm regards,

Emily Ballus, General Manager
