General Manager's Message

Dear Neighbors,

On behalf of the Board of Directors and District staff, I want to wish you and your loved ones a truly joyful holiday season. As the year comes to a close, we hope your days are filled with warmth, peace, and happiness, and that you have the chance to celebrate with the people who matter most to you.

Measure Q: We invite you to stay informed about all current and completed Measure Q projects by checking our website. **Measure Q Project Updates Click: [Here](#)** We look forward to keeping you informed, and we will share updates as soon as they become available.

Assistance! We loved sharing the festivities with you—between the live entertainment, and the Christmas tree raffle, we hope you found some extra holiday cheer. Santa’s Workshop was full of creativity, and we were so glad to see so many kids getting into the spirit. We hope you enjoyed the coffee, cocoa, cookies, hotdogs, and chickin’. Thanks for celebrating with us and starting the holidays on a high note! A special thanks to the El Camino High School Key Club and Sacramento Suburban Kiwanis for helping us make this a great community event.

Upcoming Events

Park Improvements: Alongside our Measure Q projects, FEC has been hard at work clearing out old and dying trees in our parks. It's never easy to lose these familiar old trees but taking them down helps keep our parks safe for you and all our furry friends that live in the parks.

If you notice any areas that could benefit from improvement, whether it's maintenance or just some extra attention, please let us know. You can submit your suggestions online by clicking [here](#).

Programs: Sign-ups for the 2026 FEC Little League season are officially open! Whether your child is a seasoned player or trying baseball for the first time, everyone is welcome. Join us and experience what it means to be part of a team. For more information or to register your child, please [visit our website](#) or consult the [Activity Guide for Spring, Summer and Fall](#)([Click Here](#)).
