SECTION 1 – LEAGUE PHILOSOPHY

This handbook was created so that softball team managers can understand the responsibilities and expectations managers assume by organizing and leading a team with the Fulton-El Camino Recreation & Park District.

Philosophy

The District offers a variety of divisional play to provide participants with the opportunity to enjoy a safe and enjoyable competitive softball experience.

To succeed, participants need to respect opponents, officials, umpires, staff, spectators, and facilities. These common courtesies of sportsmanship are the foundations of mutual respect and are mandatory in the FEC softball program.

Such courtesies include, but are not limited to, accepting umpire decisions, giving opponents the benefit of the doubt over accidental, awkward, or clumsy challenges, refraining from trash-talk, congratulating opponents and giving credit for high standards of play at the end of each game. These courtesies of sportsmanship are expected of all players, regardless of the intensity and/or level of competition.

SECTION 2 – MANAGER RESPONSIBILITIES

1. Register the team. You may register via mail, in person, or on-line at www.fecrpd.com.

2. Submit the roster/waiver on time. *Ensure the roster is completed and legible by every player and received by the managers meeting each season of play.* **ALL PLAYERS** must complete the roster waiver and Code of Conduct before they are eligible to participate in the Fulton-El Camino softball league. Any team without a roster, waiver and Code of Conduct on file is in jeopardy of forfeiting all games and/or other disciplinary proceedings.

3. Know your players' eligibility status. Only players in good standing with FEC may participate in divisional play. Share league information with your team. Team managers are the liaison between the team and the League Director. Communication should be through the team manager. Managers are expected to disseminate FEC team information to their team.
4. Know the rules! Managers are expected to know and adhere to the FEC and USA SOFTBALL rules. Any questions and/or concerns regarding rules should be taken up with the league director. It is also expected that the team manager/coach will inform their team of any league rule changes, announcements, and park or facility rules.
5. Uphold sanctions! Managers must uphold all disciplinary sanctions levied by the league director against the team and players.
6. Mandate sportsmanship. It is expected that managers will control his/her team, self, and spectators from unsportsmanlike behavior.
7. Have proper equipment. Metal spikes are not permitted, and teams are expected to always wear shirts.
8. Managers must obtain all league paperwork pertaining to deadlines, schedules, make-up games, first game times and other pertinent information.
9. Please notify staff immediately of any address, telephone, or e-mail number changes.

HINTS TO SUCCESSFUL TEAM MANAGEMENT

1. Collect the Money up Front

Plan a team meeting before the registration deadline and collect fees from all players. Generally, players who pay up front are more committed. This is also a great time to get players to sign the roster and waiver. Team sponsorships and fund-raisers are a great way to lower fees for your team.

2. Register Early

FEC has a first-come; first-served policy for softball registration. Teams playing during the previous season that are in good standing with the district will be given first opportunity to participate in the next seasons' league. Full payment is required at the time of registration.

3. Make certain **EVERYONE fills out completely & signs the League Roster/Waiver**

This form is a must. An individual who steps on the field who has not signed your roster/waiver is in violation of

league rules and has put you and the rest of the players on your team in jeopardy. If an individual participates

in a game without having signed the roster/waiver, the game will be considered a forfeit and disciplinary action

may be taken by the League Director. This may lead to the exclusion from the league to both the player and/or

the team without receiving a refund of any kind.

4. Make league Rules Available to Your Players

We can't make them read it, however, the rules are available on-line at www.fecrpd.com, so encourage your team to go on-line and read the rules.

5. Focus on FUN

Remember, this is recreational play! Regardless of the level of competition, good sportsmanship is expected. Players will follow your leadership so keep that perspective and handle any teammate who doesn't act within the guidelines.

6. Ask for Help when you need it!

Managing a team can be a thankless job. If you need assistance – ask a teammate. It's okay to delegate duties!

7. Communicate

You need to keep your team informed of the rules, etc. Always have a positive line of communication with the game officials and the opposing manager. Introduce yourself, shake hands and respect their decisions. Inform the League Director of issues with the fields, teams, officials, or anything else pertaining to the league. We cannot be everywhere at once and we pride ourselves in communicating well with team managers.

SECTION 3 – GENERAL LEAGUE INFORMATION

1. Field Reservations

FEC offers field reservations pending availability. Reservations are on a first-come first serve basis and need to be made in advance of practice. Note: Practice on game days is prohibited! The fields are prepped for the benefit of everyone, so be respectful.

2. League Discipline

An ejected participant must leave the grounds and have no contact with the umpires or participants in the game and is suspended for one additional game. The ejected participant is restricted from having contact with the team and is not permitted to sit in the stands, dugout, or general locality of the next game. The ejected participant may appeal the one game suspension to the League Director (See *USA Softball Rulebook Rule 4 Section 8B.*) Disciplinary proceedings handed down by the league director will be enforced on all nights of play. A suspended player is ineligible in ALL other divisions (nights) of play until the suspension is completed.

3. Inclement Weather & Game Forfeitures

To maintain the integrity of the fields, FEC has the authority to cancel games due to inclement or adverse weather conditions. In addition, any umpire or employee of FEC may cancel any game if an unsafe condition exists. In addition, FEC district policy states: If the AQI (Air Quality Index) as recorded on sparetheair.com is "150" or greater all outdoor district activities are cancelled. The inclement weather phone number is **(916) 922-4063**. A recording will tell you whether the games will be played that night. Please check your **game schedule** for the time they are supposed to call. In addition, FEC district policy states. **ALSO**, in the event you need to forfeit a scheduled game AND you do not reach someone during normal business hours, please leave a message on the recording.

4. Emergencies

In the event of an emergency, dial 911 and notify district personnel immediately. Please follow up with the League Director the following day.

5. Need More Players

A “FREE AGENT” list of individuals who have a desire to play is available. Call or e-mail Becky and she will send it to you.

6. Complaint Process

Complaints need to be in writing! Email is considered a form of written communication, so please remember professional etiquette when sending email complaints. Communication regarding team issues is expected to come through the team manager. The manager will be made aware of any issues brought directly to the League Director by his/her teammates and/or other teams. The League Director will conduct a formal investigation of complaints that can include but is not limited to contacting the opposing manager, officials, and staff.

SECTION 4 - LEAGUE GUIDELINES & RULES

1. Registration

Softball registration is on a first come/first served basis. Upon registering a team, the registration form and the fee are due to secure a spot. Your team may sign up for any available night in the division you request but is subject to change to accommodate fair and competitive divisions. When registering, you may not get your first choice of nights should the division be filled. FEC will notify the team for an alternate night. There is a “no refund” policy for teams who wish to drop out once the schedule has been completed and another team is not available to fill the vacated spot.

2. Format

Every team will play one (1) game per week on the regular division night. However, circumstances may dictate a bye, double-header, field change, time change or playing on a different night originally scheduled due to rain, special events or other unforeseeable circumstances.

3. Schedules

- a. Schedules will be available on-line at www.fecrpd.com. Schedules may be altered due to unforeseen drops or other emergencies.
- b. The district will not accept special requests to accommodate teams entered into tournaments, play-offs, or other leagues that may produce a conflict.

4. Divisional Post-Season Three (3) or Four (4) Team Single Elimination Tournament

a. The top four (4) teams in each division of play participate and teams are seeded according to their win-loss record. **If four (4) teams are in a division**, the top three (3) teams will advance. The team with the best record is the #1 seed and so on. If there is a tie between two (2) or more teams in the standings, the following criteria will be used:

1: head-to-head,

2: defensive runs given up between teams tied,

3: defensive runs given up during the entire season. The team giving up the fewest runs will be the higher seed.

Note: Only those players who are on a team roster at the conclusion of the **third (3rd) divisional game**, are eligible for the playoffs.

b. ID's will be checked for teams participating in the play-off round.

c. All league rules apply except: (A 55-minute time limit will be used for the semi-final games and 60-minutes for the championship game).

5. Game Time

Game Time is Forfeit Time: Teams MUST be prepared to play at game time but there is a 5-minute grace period for start. Monday through Friday games will begin at 6:30 or 7:00 p.m. Sunday games will begin play at 5:00 or 6:00 p.m. The game clock will start, if possible, right at scheduled game time. If the previous game runs late, the clock will begin as soon as those teams enter the dug-out and take the field for play. Both teams need to be warmed up and ready to begin play with the ***minimum of eight (8) players***. Games are 55 minutes in length or 7 innings, and ***No New Inning*** will start after 55 minutes.

In the event of a tie, ***ONE*** additional inning will be played. Each team will begin the inning with a runner on 2nd base. The last batter from the previous inning is placed at second (2nd) base to begin the new inning. With 0 outs. A team may use their "courtesy runner" at this time. This format will be used for one (1) additional inning. The game results in a tie if no team wins! **Home Plate Umpire Keeps Time! Umpire will coordinate the game time with the field supervisor.**

6. Rain-Out / Emergency Policy

a. In the event of questionable weather, call the inclement weather hot line at **(916) 922-4063**. The recording will notify you if games are canceled. Please follow the designated time on your schedules for the update time.

b. A game called by the umpire during regular league play, which cannot be resumed within 10 minutes, constitutes a complete game if four (4) or more innings have been played, or if the home team leads in the bottom of the 4th inning. In case of lightening, the USA SOFTBALL inclement weather policy is in effect. (see *USA Softball's 2025 Official Rules of Softball page 196*)

7. Make-Up Game Policy

Games will be made up at the earliest opportunity. Re-scheduled games **may not be on your normal night of play**. Teams should be prepared to play on any night of the week, including Saturday or Sunday. Staff will do their best to accommodate teams in this process. All league games must be completed prior to the start of the post-season tournament.

8. Forfeits

As a courtesy to the other team, notify the office as soon as possible of an upcoming forfeit. This will allow us to notify the opposing team, field supervisor and umpire(s) of the canceled game. If after 4:30 p.m., call (916) 922-4063 and leave a message for the field supervisor. Any team that forfeits 3 games in a season will be dropped from the league.

9. League Standings

Updated standings will be posted on the softball web link on the web site every week. If there is a discrepancy, please notify the office as soon as possible. www.fecrpd.com.
