Community Gathering at Bohemian Park: Bohemian Park Expansion Project

On December 13th, FEC welcomed residents to Bohemian Park for a special community event celebrating the holiday season and gathering input on the Bohemian Expansion Project. The event drew strong participation from district residents, who offered valuable feedback on the current expansion plans.

We sincerely appreciate everyone who attended and shared their perspectives. Your input plays an important role as we continue to shape the Bohemian Expansion Project and work toward a park that offers outstanding recreation and gathering spaces for the community.
